JAMES MONROE WIRE AND CABLE CORPORATION

A Valuable Business Partner

Your time is valuable and so are your customers. Reliable service and prompt delivery of high quality products at prices which are attractive in a very competitive market is a critical part of doing business today.

Finding a supplier to provide you with everything you need to be successful in today's competitive markets can be difficult. Today's increasingly dynamic electronic and electrical markets are constantly changing and require the manufacturer to respond with manufacturing performance.

The James Monroe Wire and Cable Corporation provides the manufacturing performance and the edge you need to be successful in a number of markets including electronic, electrical, computer, appliance, and industrial automation.

As a result of dedication and teamwork our business partners receive high quality wire and cable products, exceptional service and a reliable delivery. Our Sales Department is here to help and they are committed to providing outstanding service.
